UNIVERSITY OF REGINA – 2023-2024

ENGINEERING INFO

Minimum admission average of 70%. The following five courses are required to calculate the final admission average:

- ELA 30-1 (The equivalent grade 12-level French language arts subject may also be used)

- Math 30-1 or Math 31 (Math 31 recommended)

- Chemistry 30

- Physics 30

- One 30-level math or science course

Applicants will be admitted as an Engineering Qualifying student if they are missing one subject that is used for Final Admission, but still have an admission average of 70% on the remaining four courses. The University of Regina calculates the admission average for Alberta high school students using the higher of the high school reported final grade or the provincial reported final grade. The student must receive credit for the course.

NURSING INFO

Nursing is a competitive, direct-entry program. The Fall 2023 admission average cut-off for high school students was 77.4%.

A minimum of 70% in each of the following courses is required: - ELA 30-1 - Math 30-1 or Math 30-2 or Math 31 - Chemistry 30 - Biology 30 - One 30-level math, science, language, or social science course The University of Regina calculates the admission average for Alberta high school students using the higher of the high school reported final grade or the provincial reported final grade. The student must receive credit for the course.
