

# Welcome to Toronto Metropolitan University!

At Toronto Metropolitan University we're dedicated to creating a culture of action. We believe that education and experience go hand-in-hand. What our students learn in the classroom is enhanced by real-world knowledge through internships and co-ops, or amplified through zone learning, specialized minors and graduate programs. We're also proud to announce our new name, which offers an opportunity to be more inclusive, to imagine novel ways of thinking and creating – to open ourselves to new possibilities.

You may know us by our former name – Ryerson University. You can learn more about our new name at our [Next Chapter website](#).

## Our Programs

---

We offer over 100+ undergraduate and graduate programs at Toronto Met, from Journalism to Biomedical Science to Accounting and Finance. Browse through our 60+ undergraduate degrees categorized into six undergraduate faculties on our [Programs website](#). You can also search programs by co-op options. Brand new this year, pending Senate approval, is our [Mechatronics Engineering program](#)!

## Interested in applying?

Check out our [Alberta admissions requirements website](#) for details on prerequisite information before putting in your application, with details on our [How To Apply website](#). If you have any questions, feel free to email [Samantha Sobolewski](#), your **Alberta recruitment contact**.

## Your action items

Stay connected by signing up for [our mailing list](#). Coming to Toronto? [Register for a campus tour](#) to see our metropolitan location. Join us for our **Open House** with virtual and in-person programming on select dates from **November 18 - 25**.
