

ALBERTA POST-SECONDARY FAIRS

Hi there!

Thank you for downloading the University of Waterloo information package! We hope that you find this to be a valuable resource as you explore your post-secondary options.

If you're interested in learning more Waterloo (and your chance to win a Waterloo Warriors hoodie!), I strongly recommended signing up for our [mailing list](#)!

In addition to the Canadian Admissions viewbook included in your download, you can request any of our faculty, program, or university college brochures [here](#).

We hope that you'll have time to connect with us this fall! In addition to the Alberta Out-of-Province Fairs, there are many ways to learn more about Waterloo. You can explore [our website's](#) list of upcoming events.

Curious about what the application process looks like from Alberta? Check out our helpful [webpage about how to apply](#), and a link to our important [application and document deadlines webpage](#).

If you have any questions, don't hesitate to reach out! You can contact Kristin (that's me!) at the email address or phone number below.

All the best, and good luck with your studies!
