FINANCIAL LITERACY PRESENTATIONS

PRESENTATION BOOKINGS FOR GRADE 6, 8 & 10

Financial Literacy Presentations highlight the importance of math, money management, decision making AND budgeting as essential steps in planning, saving and succeeding in reaching financial goals.

LAKEHEAD LESSONS

INTERACTIVE SESSIONS TO CAPTIVATE AUDIENCES FROM GRADES 7 TO 12

Lakehead Lessons connect senior elementary and high school students with Lakehead faculty to learn more about special topics that directly connect, enhance or supplement existing curriculum.

UPCOMING EVENTS

The **Grade 10 Day - Forward Thinking! Conference** provides a full-day of exploration and hands-on activities designed for Grade 10 students. Topics such as Financial Literacy and Career Exploration will be introduced through interactive workshops and engaging presentations from inspiring guest speakers. This event will showcase the varied pathways to achieving individual career growth and fulfilling career goals through a university education experience. Look for this event in the spring of 2023!
