INSTITUTION INFORMATION

Program highlights	<p>For over 60 years, the British Columbia Institute of Technology (BCIT) has been delivering flexible, relevant, and future-proof education that prepares learners to lead innovation in their workplaces and communities.</p> <p>As one of BC's largest post-secondary institutes with five campuses, 300+ programs, and over 40,000 students enrolled each year, BCIT connects education, industry, and government in building an agile workforce. The BCIT curriculum is developed through close consultation with industry and delivered by instructors who have hands-on experience in their fields.</p> <p>BCIT School of Business + Media offers a broad range of programs to help you achieve your career goals. You can choose from over 120 unique programs and 300 courses. In our applied learning environment, you will find small class sizes taught by real-world professionals.</p> <p>Through our accelerated programs, you can pursue your career after only two years or ladder your program and continue into the Bachelor of Business Administration (BBA), Bachelor of Accounting (BAcc) programs (with an additional year), or the Bachelor of Creative Industries (BCI).</p>
---------------------------	---

	Whichever learning path you choose, you'll get the skills, connections, and experience you need to find success and make your mark.
