NEW INSTITUTION UPDATES/HIGHLIGHTS

<ul style="list-style-type: none"> • With a bold vision to create the foremost community-based doctor education in Canada, York’s School of Medicine is slated to open in 2028. Founded on a patient-centred, community-based approach, the school will prepare the next generation of primary care physicians – trained to leverage the most recent digital health technologies and to work collaboratively within inter-professional health care teams at diverse learning sites. • Our Faculty of Liberal Arts & Professional Studies now offers co-op opportunities to domestic and international students.
