Welcome to UPEI

My name is Marshall and I'm your student recruitment officer from **The University of Prince Edward Island.** At UPEI we're dedicated to creating a culture of diversity and inclusion. What our students learn in the classroom is enhanced by real-world knowledge through, co-op and placements, or experiential education within specialized programs like our Sustainable Design Engineering Program.

Below you will find a few links within our website to help you navigate through everything you need to know about UPEI. If you have any questions at all, please do not hesitate to email me to book a virtual appointment.

Our Programs

We offer a wide range undergraduate programs at UPEI, including Business, Nursing, Biology, Engineering, and multiple Science and Arts programs. Discover all our programs and co-op options on our Programs website.

Interested in applying?

Check out our Alberta admissions requirements website for details on prerequisite information before putting in your application, with details on our How To Apply page. If you have any questions, feel free to email **Marshall Mayne, your Alberta recruitment contact.**

Your action items

Stay connected by signing up for our virtual events found on our Future Student Events website. Coming to PEI? Register for a campus tour to see our campus.
