SCHOLARSHIP INFORMATION

Scholarship information website	https://www.ubishops.ca/future-students/fees-and-funding/scholarships-awards-bursaries/
Number of scholarships	Each year approximately 62% of our student body

awarded	receives financial assistance in some form ranging from \$500-\$20,000. We encourage all students to take a look at the financial opportunities available to them and submit an application for consideration.
Scholarship application deadline	March 1 st is the deadline to apply to Bishop's to be considered for scholarships.
Decision criteria	A student must meet a certain threshold to receive merit-based funding. 75% of high school students admitted for fall 2024 received an offer.
Guaranteed scholarship program	Bishop's University has a competitive model for offering scholarships.

ADDITIONAL INFORMATION

Treatment of diploma marks	For admissions average calculation purposes, we take the stronger of the school mark or the final mark (combination of school mark + diploma exam mark)
Transcript requirements	We accept unofficial transcripts at the time of application for admission evaluation purposes. If admitted, any offer would be conditional on us receiving the final official transcript showing proof of High School completion. This document must be sent directly by the institution (electronically or by post) or provided by the applicant in a sealed and officially stamped envelope.
Tuition differentials	\$1,847.34 CAD for the 2025-26 Academic year. Compulsory fees are subject to % increases every year.
Treatment of second choice program(s)	We do not request a second-choice program at the time of application. If an applicant is denied admission to their first-choice program, they are automatically considered for other programs offered at the institution. If eligible, these options are then presented to the applicant.

NEW INSTITUTION UPDATES/HIGHLIGHTS

<ul style="list-style-type: none"> • 9 competitive varsity teams (M/W Basketball, M/W Rugby, W Hockey, M Lacrosse, M Football, W Soccer, Golf) • \$200 million in campus renovations over the last decade. • Small classes → greater access to experiential learning opportunities. • Bishop's University was exempted from the tuition increase implemented by the Government of Quebec on English universities. Canadian non-Quebec residents will

see no increase in tuition rates other than normal annual indexation, equating to a tuition of roughly \$9,500 for the 2025/26 academic year. Tuition rates are typically finalized in May. Additionally, There will be no entrance or exit exam for French proficiency for out-of-province students. Please check out this link for additional information: <https://www.ubishops.ca/future-students/no-tuition-increase/>

ENGINEERING & NURSING REQUIREMENTS

Bishop's University does not offer any Engineering or Nursing Programs. Our institution encourages students who are interested Engineering to double major in Computer Science and Physics. For Nursing, a student would be encouraged to major in Biochemistry or Biology with a Health Science concentration. Students at BU have been known to go into Engineering or Nursing fields through these programs. For a Bachelor of Science, a student will need one Grade 12 Math and two Grade 12 Sciences as well as two additional university level courses.
