AP credit information	<p>Admissions Requirements:</p> <ul style="list-style-type: none"> - We use the % grade of these courses on the HS transcript. - If student takes AP course and its grade 12 equivalency then we take the higher of the two for the average. <p>Transfer Credits:</p> <ul style="list-style-type: none"> - A maximum of 30 credits with a score of 4 or 5 can be transferred. <p>*Must receive transcript directly from AP College Board for transfer credit consideration.</p> <p>AP course transfer equivalencies:</p> <p>https://mta.ca/admissions/once-admitted/transfer-credits#:~:text=Mount%20Allison%20equivalencies%20of%20select%20AP%20courses</p>
Policy on repeated courses	<p>We will accept the higher of the two grades. We also don't look at any course that isn't the English, in the top 4 courses or the Math for Sciences so some failed courses might not even be considered.</p>
Policy on summer school, night school, online courses, and correspondence courses	<p>If course description falls in range of course we accept on admissions requirements then we will accept it for admission. No real deadline for these as long as we receive them before classes start. We often recommend Ontario Virtual School for students who need to upgrade their English, math or any of the accepted courses.</p>
Treatment of out-of-province high school courses from schools such as Blyth or MEI	<p>Same as above. Courses will be assessed for consideration comparative to courses on our accepted course list.</p>
Application deadline	<p>March 1, 2026 – To be considered for financial aid including entrance scholarships, major scholarships and bursaries. Also applying before this date guarantees you a spot in residence.</p> <p>February 10, 2026 – Bachelor of Music application</p> <p>February 15, 2026 – Bachelor of Fine Arts application</p>
Application fee	<p>\$50</p>

Timing of offers/grades used	<p>Application opens early October. From then until about mid-January we use grade 11 final transcript for admission.</p> <p>From mid-January until about mid-June we would use the grade 12 mid-year transcript for grades.</p> <p>From mid-June onward, we use the final grade 12 transcript.</p> <p>*We will get back to the student in about 2 weeks maximum about the admissions decision.</p>
Deferral policy	<p>If student doesn't hit our admissions requirements we will defer them until the next set of grades.</p> <p>Students can take a gap year where they take the year after high school off to work or travel or do anything except be enrolled in another institution and in these cases, they keep their offer for the next academic year.</p> <p>Semesterly deferrals can be done on a case by case basis.</p>

ADDITIONAL INFORMATION

Treatment of diploma marks	Higher of the school and exam marks.
Transcript requirements	We require an official copy of the student's final high

	school transcript once it is available no matter when the student applied. They can use an unofficial copy of their transcript if applying with grade 11 or grade 12 mid-year grades. We will need a transcript at every step in the process (example: if student applies with G11 grades we need G12 mid-year grades in January and the official G12 final transcript in June).
Tuition differentials	Domestic: \$10,800 International: \$21,800 (yearly)
Treatment of second choice program(s)	<p>Students who achieve our admissions requirements but not program requirements will get a second choice offer to a different program depending on their primary program.</p> <p>Music: Bachelor of Music applicants are offered to our Bachelor of Arts program until they complete the audition process or are fully offered to the Arts if they don't get accepted with the audition.</p> <p>Fine Arts: Same as Music but Bachelor of Fine Arts applications get offered to the Arts program until the portfolio is reviewed.</p> <p>Science: Most Science majors will get offered to the Arts if they haven't completed the math required to get accepted to the Sciences. If they are an Aviation applicant they will get their second choice offer to Commerce.</p>

NEW INSTITUTION UPDATES/HIGHLIGHTS

- Recently implemented a joint degree in **Music** and **Computer Science**.
- Now offering our **Aviation** degree with a **Bachelor of Arts**. We now offer Aviation in Arts, Sciences or Commerce.
- Our **Bachelor of Arts and Science** degree in **Health Studies** is a fairly new program for us recently as well.
- Many new programs added in recent years including some niche offerings: **Biopsychology; Community Engaged Learning; Data Science; Geocomputing; Indigenous Studies; Language and the Mind; Museum and Curatorial Studies; Screen Studies and Popular Culture; Visual Material and Culture Studies.**
- Fully renovated one of our biggest residences on campus, Harper Hall.
- Started construction on new Athletics Complex that will act as a temporary library first as they are fully renovating our current one.
- Our top scholarship, The Bell, is now up to \$70,000 over four years.
