-----------------------	--------------------------------------

### ADMISSIONS INFORMATION

<b>Minimum Alberta admission requirements</b>	<p>High school diploma with 5 academic courses at the 30 or 31 level (5 credit), including required subjects.</p> <p>Note: Two 3 credit courses can be used to equal one 5 credit course.</p> <p>Estimated cut-off ranges vary by program (see <a href="https://admission.uoguelph.ca/alberta">https://admission.uoguelph.ca/alberta</a>) *Note: Presenting an admission average within the estimated cut-off range does not guarantee an offer of admission.</p> <p>Transcripts and grade data can be emailed to <a href="mailto:applicant@uoguelph.ca">applicant@uoguelph.ca</a>.</p>
<b>Admission requirements online</b>	<a href="https://admission.uoguelph.ca/alberta">https://admission.uoguelph.ca/alberta</a>
<b>English language proficiency requirements</b>	Review <a href="#">English Proficiency requirements</a> , acceptable tests and scores.
<b>Minimum admission average</b>	Admission requirements and estimated cut-off ranges vary by program. Applicants need to present their high school diploma with 5 acceptable academic Grade 12 courses, including required subjects. Required courses by program can be found on our <a href="#">website</a> .
<b>Conditional admissions process</b>	All offers of admission are conditional upon the following: completion of the high school diploma, completion of five academic Grade 12 courses (level 30 or 31), a minimum final admission average as outlined in the offer, and English proficiency (if required). Admission conditions are listed in the offer. More information about conditional offers can be found at: <a href="https://admission.uoguelph.ca/conditionaloffers">https://admission.uoguelph.ca/conditionaloffers</a>
<b>IB credit information</b>	For admission and scholarship purposes, IB scores will be converted into grades on a percentage scale out of 100. Applicants that have completed higher level courses with a minimum grade of 5 will be eligible to receive transfer credit, to a maximum of 2.0 credits. Transfer credit will be assigned upon receipt of official final results from the IBO. <a href="#">IB Information</a>
<b>AP credit information</b>	Applicants that have completed Advanced Placement exams with a minimum grade of 4, will be eligible to receive transfer credit, to a maximum of 2.0 credits. Transfer credit will be assigned upon receipt of an official College Board AP exam score report. <a href="#">AP Information</a>

<b>Policy on repeated courses</b>	We will use the highest grade reported for any repeated course, provided the student completed the course at an accredited institution.
<b>Policy on summer school, night school, online courses, and correspondence courses</b>	Courses completed at a Ministry of Education accredited school will be accepted.
<b>Treatment of out-of-province high school courses from schools such as Blyth or MEI</b>	Courses completed at a Ministry of Education accredited school will be accepted.
<b>Application deadline</b>	Apply through the <a href="#">Ontario Universities' Application Centre (OUAC)</a> .  To be considered for early admission, students must apply by January 15, 2025. We will continue to accept applications received after this date.
<b>Application fee</b>	\$156 payable to the OUAC for three program choices. A \$50 charge is added for each additional program choice.
<b>Timing of offers/grades used</b>	We use Grade 12 courses (including requires subjects), to calculate an admission average. Where not available, we'll use a combination of completed or in-progress Grade 12 courses and completed Grade 11 courses. Our first round of offers begins in late January (see our <a href="#">admission plan</a> ). All offers will be made by the end of May 2025. Students have until June 2, 2025, to respond via the OUAC.
<b>Deferral policy</b>	Students can defer 1 offer of admission for 1 year (they must accept their offer by June 2, 2025 & fulfill conditions). <a href="#">More information on our website.</a>

### RESIDENCE INFORMATION

<b>Residence options</b>	13 Residence Buildings, 5 styles of residence including: Single, Double, and Townhouse styles
<b>Residence application deadline</b>	June 2, 2025
<b>Guaranteed residence?</b>	All new students from outside of Ontario are guaranteed on-campus housing provided they apply and pay the residence deposit of \$750 prior to the deadline of June 2, 2025. <a href="#">More information can be found on our website.</a>
<b>Room deposit fee</b>	\$750 CAD Residence deposit (to be submitted with application)
<b>Can you apply online?</b>	Yes, residence applications can be found on our <a href="#">Website</a> .

### SCHOLARSHIP INFORMATION

<b>Scholarship information website</b>	<p><a href="#">Lincoln Alexander Chancellor's Scholarship</a> (value: \$42,500 due January 27, 2025)</p> <p><a href="#">President's Scholarship</a> (value: \$42,000 due January 2, 2025)</p> <p><a href="#">Board of Governors' Scholarship</a> (value: \$20,000 due January 27, 2025).</p> <p>Find awards that require application using the <a href="#">award search</a>. Deadlines vary.</p>
<b>Number of scholarships awarded</b>	Awarded numbers vary by scholarship. More information can be found on our <a href="#">Student Financial Services</a> website
<b>Scholarship application deadline</b>	Deadlines vary by scholarship. More information can be found on our <a href="#">Student Financial Services</a> website.
<b>Decision criteria</b>	Selection criteria vary by scholarship. Our top scholarships recognize students of academic distinction, student leadership, and community citizenship. More information can be found on our <a href="#">Student Financial Services</a> website
<b>Guaranteed scholarship program</b>	Eligible students will receive an entrance scholarship at the point of admission. No application required. Whether a scholarship offer is made with an admission offer or not, all eligible applicants will be re-considered in May to qualify for or better an award. More information can be found on the Student Financial Services <a href="#">website</a> .

### ADDITIONAL INFORMATION

<b>Treatment of diploma marks</b>	Courses completed at a Ministry of Education accredited school will be accepted.
<b>Transcript requirements</b>	Official final transcripts can be requested though Alberta MyPass or mailed to Admission Services
<b>Tuition differentials</b>	Tuition information can be found on our <a href="#">Student Financial Services</a> website
<b>Treatment of second choice program(s)</b>	We do not look at program preference. Students are considered equally for all programs to which they apply.

Admission Requirements for students studying within Alberta: <https://admission.uoguelph.ca/alberta>

Acceptable Grade 12 Courses from Alberta:

<https://www.uoguelph.ca/admission/undergraduate/requirements/alberta/#acceptable-courses>

New for Fall 2025:

- **Bachelor of Engineering:**  
A new major, **Mechatronics, is now available (co-op and regular)\*** - Provides students with a strong foundation in the design of computer-controlled electromechanical systems.  
  
The Undeclared option is no longer available.
- **Bachelor of Science: Environmental Geomatics** major (previously paused) has been renamed to **Earth Observation and Geographic Information Science** and moved to the **Bachelor of Science in Environmental Sciences** degree program - Students will gain expertise in earth systems such as freshwater and carbon as well as develop skills in evaluating environmental risks and hazards
- **Bachelor of Science: Biological and Medical Physics major (co-op and regular)** has been reinstated - This major combines the University of Guelph's strengths in physics, biochemistry and molecular biology applied to healthcare and the medical field. This interdisciplinary major will help students understand how physicists contribute to our knowledge of the biological world.
- **Bachelor of Science: Plant Science major (co-op and regular)** has been reinstated – This major allows students to explore the intricacies of plants through the study of their diversity, growth, development, environmental interactions, and various economic uses. Additionally, students will gain knowledge of advances in molecular biology, plant ecology, systematics, physiology, botany, genetics, agriculture, ethnobotany and biotechnology.
- **Bachelor of Arts:**  
The **Classical Studies** major has been renamed **Classical and Modern Cultures**.

\*Subject to formal approval by the Ontario Universities' Council on Quality Assurance)
