

Cape Breton University

Information Package

This is the place to become the leader you were meant to be, and to create the kind of impact that will make a difference – all with the help of a supportive, welcoming academic environment.

With exclusive programs, a safe and inclusive campus, and the natural beauty of Cape Breton Island, here you can achieve a world-class education and build friendships for life.

So, take a look around, and get a sense of what it's like to live and study with students just like you from more than 50 countries around the world. As part of our diverse campus community, you'll be surrounded by global perspectives and unique experiences. If you need a little help along the way, we provide each and every student with unmatched support services to ensure your success.

We can't wait to meet you.
