INSTITUTION INFORMATION

Program highlights	100% of Trent University's programs offer experiential learning opportunities, from co-ops and internships to community-based research and case studies. Interdisciplinary education is at the forefront of the Trent experience, ensuring that students take courses from disciplines other than their major during their studies. They will leave Trent with a well-rounded education, ready to tackle the world's most complex issues.

	Notable programs include: - Forensic Science - Law and Arts/Business Dual Degree - Artificial Intelligence - Environmental Studies and Sciences - Teaching - Nursing
Student population	13,768 students (10,967 at the Peterborough campus and 2,801 at the Durham GTA campus)

ADMISSIONS INFORMATION

Minimum Alberta admission requirements	Eng 30-1 (min. grade 60%) plus four academic 30 or 31 courses.
Admission requirements online	https://www.trentu.ca/futurestudents/admissions/admission-requirements
English language proficiency requirements	https://www.trentu.ca/futurestudents/admissions/international-students/english-proficiency TOEFL: Minimum 86 IBT with a minimum writing score of 20. IELTS: Minimum 6.5, with no band below 6.0.
Minimum admission average	70% (Some programs have heightened admissions averages. Refer to https://www.trentu.ca/futurestudents/admissions/admission-requirements)
Conditional admissions process	All offers are conditional upon the successful completion of all conditions outlined in the offer of admission.
IB credit information	Minimum overall score of 26 (including bonus points) in IB diploma, including three courses at the Higher Level. Transfer credits may be offered for IB HL courses with a grade of 5. https://www.trentu.ca/futurestudents/admissions/admission-requirements/international-baccalaureate-students
AP credit information	Applicants who have completed Advanced Placement exams from the College Board are required to submit their examination results for evaluation. Transfer credits will be granted for most Advanced Placement courses with examination grades of four (4) or better, to a maximum of 5.0 credits (one full year of study). https://www.trentu.ca/futurestudents/admissions/admission-requirements/advanced-placement-students
Policy on repeated courses	Trent University will consider the highest grade achieved on repeated courses.
Policy on summer school, night school, online courses, and correspondence courses	Trent University considers all courses as equivalent, regardless of if they were completed in summer school, night school, or online.
Treatment of out-of-province high school courses from schools such as Blyth or MEI	Trent University considers all courses as equivalent.

Application deadline	January 15, 2026 *Applications will remain open beyond this date for some programs.
Application fee	Applications accepted through the Ontario University Application Centre (www.ouac.on.ca) 3 program choices for $156
Timing of offers/grades used	Rolling admission format – offers will be sent as we review applications and grades. We can send conditional offers based on grade 11 and early grade 12 marks. Final, unconditional admission will be dependent on completing all admission requirements during the grade 12 year.
Deferral policy	Deferrals are permitted for up to one year from the original acceptance start term (i.e., students admitted for Fall 2026 can defer until Fall 2027). Deferral requests must be submitted through the applicant's myTrent portal using the "Deferral Request Form."

SCHOLARSHIP INFORMATION

Scholarship information website	https://www.trentu.ca/futurestudents/scholarships-tuition
Number of scholarships awarded	Guaranteed entrance scholarships for students with an average of 80%+.

	15 Prestigious scholarships available.
Scholarship application deadline	Entrance scholarships do not require an application. Prestigious scholarship deadline: To be announced (will be updated on our website - https://www.trentu.ca/futurestudents/scholarships-tuition/prestigious-scholarships)
Decision criteria	Academic performance.
Guaranteed scholarship program	Guaranteed scholarships for students with admission averages of 80% or higher. Renewable for up to 4 years if an average of 80% or higher is maintained.

ADDITIONAL INFORMATION

Treatment of diploma marks	Trent University will take the higher of the course or diploma marks.
Transcript requirements	Canadian high school applicants are encouraged to submit the "Canadian High School Student Self-Reported Grades" form under the "Academics" tab of the myTrent portal. This allows the Admissions Office to assess for an early, conditional offer of admission for select programs. If you are admitted to Trent University while your high school studies are still in progress, then your offer of admission is conditional upon you meeting the minimum admission requirements of the program you are admitted to. Admissions will require your high school to either mail or email (admissions@trentu.ca) your final, official high school transcript in July.
Tuition differentials	https://www.trentu.ca/studentfinances/tuition-fees
Treatment of second choice program(s)	The order of programs is not considered when determining admission eligibility.

NEW INSTITUTION UPDATES/HIGHLIGHTS
